## WHERE'S THE FIRE (CORPS)?

---

### **Fire Corps Recognition:**

Ellen Brancazio 500+ hours

Jan Misner 1000+ hours

### **New Field Member:**

Mark Dean

**June 2023**

## Updates on Construction:

Living quarters at the new Station 152 (early May 2023)

## **Fire Corps Making a Difference:**

Not only did **John** and **Rich** promptly replace the batteries in my four smoke detectors, they gave me info on how the detectors keyed off each other for thorough alarm coverage. I would have been very upset if they had gone off and I was not aware of all the noise! I have been very pleased with the services the GVFD offers to the senior community, and it has made me aware of my good choice of moving to Green Valley for my retirement years. Thank you! **John** and **Rich** came to replace my smoke alarm battery and added two new smoke detectors in my home. They were so professional and helpful! What a great community service this is. High praise for **John** and **Rich**; and thanks to the Green Valley Fire Department for providing this wonderful service. I'm a very happy customer! **Dave** and **Greg** did a great job replacing our smoke detector batteries! **John** and **Steve** were friendly and very efficient. They replaced an old smoke alarm and put

## June 2023

new batteries in the other 4 smoke alarms. We really appreciate the excellent service. **Denny** and **Mike** came in February to install our lockbox on a day when my husband's hospice nurse was here -- but completed their task in a respectful manner, being very considerate of my time. I've been extremely happy with the service provided by the Green Valley Fire District volunteers (and just hope I never have to call them to take care of any creepy crawlers on my property!!). I am so grateful for this service. You are keeping seniors safe in their homes. We have vaulted ceilings and there is no way I can safely balance on a ladder in my condition. **Dennis** and **Carol** were very professional. From the first phone call to schedule the smoke alarm check, to the follow-up reminder call, to the actual service, everyone was courteous and respectful! **Clem** gave me a 10-minute heads up and replaced all three of my smoke alarms in a very timely manner. I couldn't be happier with the service provided and I feel much safer knowing I have brand new smoke alarms. Thank you, Green Valley Fire District volunteers!! **Maureen** and **George** were very efficient, friendly, and competent! They did a super job in record time. This service is so important for seniors. I applaud GVFD for its efforts in keeping us safe. **Evie** is wonderful. She is one of the most fabulous people I've met. **Evie** was so helpful. **Mark** and **Dan** of the Fire Corps service were prompt and friendly and changed our smoke alarms and batteries. This is a wonderful service for us seniors who should not be climbing a ladder at our age. Thank you so much for providing this service. **Clem** and **Tom** were very courteous when they checked and replaced the batteries in our four smoke alarms. They noticed that our wired in smoke alarm was very old and replaced it.
